December 2025—January 2026

Call

Big Sir's Corner

Thom Degman

And before we knew it, it was 2026. I hope that your family had a safe and happy holiday season, whether you celebrated Hanukkah, Christmas, or Kwanzaa; and may the coming

year be happy, healthy and prosperous for all our SIR members and their families.

I am honored by your trust and look forward to the challenges ahead to make SIR146 the very best that it can be, and hope for your continued support. I also want to thank **Bob Ford, Don Shaw, John Rexroat, Mike Rothman, Tom Amman, Glenn Breslin**, our Director's, former Big Sirs, and all the activity leads that help to make SIR146 such an outstanding organization. I also want to thank all the many volunteers who worked to make our activities interesting, and our lunch meetings enjoyable. Unfortunately, there were way too many contributors to list here by name but your efforts are appreciated, each and every one of you.

Going forward, your new Branch Executive Committee (BEC) will remain as transparent as possible, keeping our Branch strong (both financially and membership wise), and flexible to meet whatever new challenges 2026 brings. The purpose of our Branch remains the same - to provide opportunities for men to socialize, renew old friendships, and develop new friends by participating in activities of interest to them. This happens when members participate, and that is one of our objectives for 2026.

SIR Luncheon

A reservation is required!

- Some of the key focus items for SIR146 in 2026 will be
1. Recruiting new members, and
 2. Increasing participation in SIR by the membership.

Recruitment: At the end of 2019, SIR146 had 298 members, today that has dropped a bit to 263. Therefore, we have formed a committee led by **Glen Breslin**, and including **Dean Mayer, Mike Rothman, Jim Pope, Mike Davidson** and myself to plan and execute a plan to recruit new members. This activity is well underway, and we would welcome any assistance should you like to help out. Reach out to anyone on the committee and they will welcome you onto the team. Also, each one of us has friends or acquaintances who could benefit from membership in our branch or a neighboring branch. Talk to them, invite them to one of our luncheons, help us to grow with good people.

Participation: A strong organization is only as good as its members. We have some 51 activities to choose from plus trips to water and power plants, CPR, and other fun events. Several of our members have been leading their activity for many years, and could use some support. SIR wants to provide a fun way to meet new people and this is a great way to do it. Please let me know if you would like to assist in any activity, or contact the activity lead directly. We would welcome your increased participation.

Looking forward to seeing you all in January and hope that you and your family have an exceptional 2026!

Little Sir's Corner

Jim Pope

AI is a topic on everyone's mind and **Frank Terzuoli** will provide his thoughts on where we are today, how we got here, the opportunities and risks of AI going forward, etc. **Frank** has been involved in the IT development of AI protocols for many years. He has seen AI mature into what it is today. His insights will be very educational and I'm sure entertaining. **Frank** is a member of SIR 146.

Frank brings a wealth of experience. He started as a Behavioral Economist with an electric background who has been working on pattern recognition models for 40 years, including neural networks and expert systems across mostly financial services applications. Very familiar with the challenges of inferring insight from data with varying degrees of confidence, he worked for cutting edge companies in the pre-AI era including Accenture and KPMG. And, he still does consulting with three small AI financial service companies as well as three leading Universities.

In addition to my Little Sir Speaker duties, I plan on helping New Members get acquainted with SIR 146 and the programs. At the luncheons, I will have a Little Sir table where I will invite 2 or 3 new SIR 146 members with their sponsors to sit with me and discuss how they are finding their time in the organization. Hopefully, we can help them find some programs they find interesting.

Our CPR Training Classes have been a great success. We have had 5 classes, and we have now involved and updated more than 110 individuals over the past years on current CPR techniques. These are excellent coed training exercises, and we encourage you to join in! It is also a nice way to introduce friends to SIR! If you are interested in joining a CPR class in 2026, please let me know as the next class will occur in February.

Also, I want to encourage members to get involved in making SIR the very best it can be. The more contribution we have from our members, the better SIR 146 will be. If anyone would like to assist on the Recruiting

Committee, planning and executing on new member recruitment activities, please let me know. This will be a key activity in 2026, and our objective is to make SIR 146 the very best that it can be. .

One new member was approved for membership in December.

Jeffrey "Jeff" Denny lives in Antioch with his wife **Vicki**. He was a trucking business owner, called Import Dealer & Service. He is a musician and enjoys

camping and the outdoors. He is sponsored by **Nick Jabuka**.

The 2025 membership count was **266**.

Several members did not renew their membership for 2026 for various reasons.

They are Dale Dalgaard, Bill Dastic, Mike Patterson, Scott Schrader, William Snyder, John Reilly.

The **2026 Dues** letter was sent out in mid-October along with a return envelope for your convenience. In the December SIRCall the letter was reprinted as an additional reminder. Also, in December an email was sent to the members who have not paid their dues. So far as of this writing there are still **33** members that have not responded yet.

Reminder: If you are one of the **33** that have not responded yet for your 2026 Dues, you will be contacted by the Big Sir or Little Sir as a final contact. If you do not respond by the end of January, then we will assume that you are resigning.

It is important that we have an accurate count of our branch membership since State SIR allocates costs for insurance and operating expenses based on our num-

ber. Likewise, it is important to grow our membership to keep our branch vibrant and active. So, please tell your friends and family members about what Branch 146 does and maybe you can sponsor the friend as well.

We would like to encourage them to become members. So, when you see our guest at the luncheon, reach out and voice the good things about being a member of SIR.

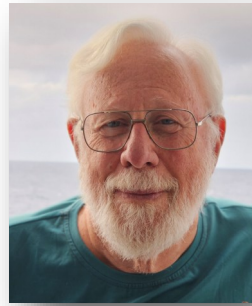

If you want to sponsor a new member, please go to our website www.sir146.com and go to the Members Only tab to see the Sponsors Role. The member application is in the Members tab.

The Membership Directory is located on our website and is updated monthly.

It is important that any changes to your contact information, especially to your email, phone, or address, are sent to me in an email (gckk@comcast.net) so that we can update the directory with the most current information.

Submitting an article for SIRCall? Have pictures to "illustrate" your article? We hope so. Pictures always make an article more interesting to the readers. So, get a couple in but, please, PLEASE, make sure to include

them in the e-mail with your article. Sending them separately may mean that they get lost in the shuffle and no one wants that!

'Which brings me to a second point: please make sure you use the email appropriate for the message, that is either the editor e-mail or my personal SIR e-mail address, the editor address being preferred! Some of you are aware of my other e-mail addresses... part of handling the volume of mail I receive is screening and each account has unique screening. Send an article regarding SIRCall to my personal email and it may simply get overlooked or moved to a category/folder that doesn't get immediate attention. The preferred email for articles is sircallbr146@gmail.com, my SIR email is sirclint@the-colliers.org.

We... the editors of SIRCall and **Glenn Breslin** the activities director... need some help. We need someone in the branch to step up and agree to maintain the monthly activities calendar that is online and which gets published in this newsletter. You will note its conspicuous absence from this issue...no one put anything in in for 2026 so if you can help... give **Glenn** a call, a text or an email.

Be warned: the cut off date for SIRCall submissions for the February issue will be January 21st ... but as always, we gladly accept them prior to this date!

 **2026**  HAPPY NEW YEAR

Looking for something to do...

Activities Coordinator Glenn Breslin

Did you know that you can start an activity of your own choosing ? Yes indeed! It can be very rewarding to introduce your interests to the entire SIR146 community. I am all ears. Please convey your new activity ideas to me and we will work together to get it started. When you start a new activity, you not only help your fellow SIR members stay active but also personally benefit with a good feeling that you are contributing to the health of the organization. Leading an activity, you get to know members at a closer level. Sometimes it seems a little overwhelming to start an activity, but part of my job as Activity Chair is to provide direction and support to ensure your success. There is also an option to become an Activity Co-Chairman or Assistant!

Cycling Group

Larry Kaye

November 22: Our ride on November 22 was different—it was a Saturday, not our usual Tuesday; it started from Walnut Creek, not Alamo; and over half of the 20 mile ride was on the smaller residential streets of Alamo, Danville and Walnut Creek, on the east side of highway 680. Ten of us started out from Walnut Creek and then hooked up with **Larry Kaye** in Alamo. The cool, overcast weather kept us from overheating, but then the sun came out and we started stripping off layers! A coffee and donut stop at the end replenished our energy. **Bob Wilkenfeld**

November 25: On Tuesday, November 25th, the cycling gang met at Pleasant Hill Park for a 22-mile round trip in and around Pleasant Hill and Martinez. The weather outlook wasn't all that enticing with cloudy, foggy skies, high humidity, and a moderate headwind in some areas. Those cyclists that braved these conditions were: **Larry Kaye, Bob Wilkenfeld, Thom Degnan, David Paulson, Elmer Bricca, Eric Finson, Mike Schrupp, Bill Holly, Ken Studer, Bob Lucido, Phil Lee, and Moose Kelly**. Call us "crazy guys" for riding in these less-than-optimal weather but that's we are dedicated riders.

We rolled out of Pleasant Hill Park and connected with the Iron Horse Trail. We followed the Trail to the end and went along the perimeter of Buchanan Airfield. As we crossed Pacheco Blvd, we stopped and gathered the ranks before we started our climb. After huffing and puffing up Center Avenue, we turned right on Morello Road which took us all

the way to Pacheco Blvd. The peloton turned to Martinez where we stopped at our usual coffee shop, State Street, for hot java and belly bombs. **Roger Meyer**, a former rider of the group, joined us to share the commandries. It was great to see him!!

Leaving Martinez, one of our cycling colleagues took a tumble and another rider got a flat tire. The rest of the group gathered around to make sure everyone was okay. The vast majority of our rides are uneventful, but every now and then things don't go as planned.

We finished the ride through Reliez Valley back to Pleasant Hill Park where I have enclosed a serious photograph as well as a goofy one. Although weather was far from the best, we still rode to make room for the Thanksgiving feast that we will incur. It's a healthy sport since someone told me that "Health is Wealth." **Larry**

December 17: Today was the SIR cycling Holiday luncheon. All but **Bill Holly** were in attendance; **Bill** is sick. We had a great lunch and talked for two hours. Pointed out that 7 YEARS ago we had 5 riders that formed this. Today we number 20. It's been fun. We spoke of the crashes, the weather and just had a blast. As we age the changes are more obvious. No matter what though, we all are in good health and intend to keep pedaling. Age is bull.... Just get outside and do something. **Larry**

To celebrate the 35th Anniversary of the opening of Leshner Center for the Arts, Center REP is proud to present the 35th anniversary revival production of Neil Simon's Pulitzer Prize and Tony Award-winning heartfelt comedy. This multi-award-winning memory play transports us to a small apartment above a candy store in Yonkers, NY in 1942. Financially strapped and needing to dig his family out of medical debt, Eddie must leave his two teen boys to live with his sister and mother while he takes to the road as a salesman. A strange new world opens up to the boys as they must navigate their estranged mafia-linked Uncle Louie and authoritarian Grandma Kurnitz (and her odorous mustard soup) while befriending their neurodiverse Aunt Bella, whose love and determination buoys the family against the headwinds of transformation. *Lost In Yonkers won the Pulitzer Prize for Drama and the Tony Award for Best Play, among other accolades.* [Link to Show Page](#)

SongSirs Peter Plante

The SongSirs performed our Christmas program on December 5 at the Ivy Park Retirement Home on Ygancio Valley Road in Walnut Creek. **Steve Dinning** played several songs

for the audience before we sang old favorite songs like "Frosty The Snowman," "White Christmas" and "Silent Night" to an enthusiastic audience. Several people sang along and a good time was had by all. **Paul Beretz** was the MC introducing the songs and SongSirs were directed by **Bruce Borgman**.

Our next rehearsal is on January 14, 2026 at Walnut Creek Presbyterian Church at 1:30. The songs for St. Patrick's Day will be rehearsed for a performance in March.

We are always looking for new members, so join us for a fun time and camaraderie. No auditions necessary, just a love of music and singing.

Tuesday Golf Ed Marlovits

Tuesday Golf is the SIR Branch 146 Golf Club. We play 18 holes weekly at Boundary Oak. Joining has a cost of \$80 per year which covers your NCGA membership and provides a recognized golf handicap. Prize fund participation is an option. Most weeks are stroke play but there are typically monthly team events as well.

In addition to 146 branch golf, members are eligible to participate in numerous SIR State Golf events. State SIR events are shown in the SIR State Golf website: <https://sirgolf.org>.

Ed Marlovits

9 Hole Golf Group Bob Ford

Are you ready to start the new year with a little golf? You should consider our 9-Hole Golf group. This time of year, golf is a great reason to get out of the house and get a little exercise. Our group tees

off at 9:30 am at the Diablo Hills Golf Course every Thursday, except the second Thursday of the month when we go to the SIR luncheon. It is open to all, and you don't need to be a member of the NCGA or have a handicap to play. It takes us about two hours to play, then most of us also have lunch at the Greenery which is the restaurant at the course. On Fridays, I will send out an email asking who is coming for golf and if you plan to walk or ride. On Wednesdays I will send out an email noting who signed up for Thursday morning. I hope to see you there!!

AREA 16 Fishing Report

Paul Dubow

I was unable to attend the fishing meeting in November at the last minute and so once again **Cleo Bolen** kindly took notes for me at the meeting, Thanks, Cleo!

The meetings area always fun and interesting. This time, however, there were two major events. First, **Phil Scimonelli's** two year tour as Big Fish came to an end at the end of this month and we nominated **Pedro Contreras** to replace him. By the time you read this article, Pedro will be off and running on his new job. And thanks to Phil for his dedication in leading us for the past two years.

Second, Pedro gave a presentation on the long range fishing trip (eight days) out of San Diego that he took with **Brion Beetz**, **Steve Paulick**, and **Ken Bellindir** in September. It was a very successful trip. The quartet fished off the coast of Baja California and caught twelve yellowtail, one marlin, fifty barracuda, one

black sea bass, twenty yellowfin, and one sheepshead. (A sheepshead is a fish, not an animal head).

The big fishing event in November is the opening of the crab season. Crab fishing is much different from other types of fishing. When we fish for species other than crab, we drop our lines in the water and hope for a bite. That bite can come instantly, in several hours, or not at all. Not so with crab. First, we don't use a rod. Rather we drop crab pots to the bottom that are filled with delicacies enjoyed by crab and wait for the crab to enter and partake. Once inside, it is like the Hotel California, they can never leave (well, most of the time.) But it takes awhile to fill the cage. If one is out on a fishing boat in the ocean, it is silly not to fish. And so our usual course of action is to forage for other fish while waiting for the crab to do their thing. The most likely target is rockfish, given that the season does not end until December 31. And so crab fishermen **Matt Richards**, **Carl Moyer**, **Phil Scimonelli**, **Nic Jabuka**, **Ken Bellindir**, **Steve Smith**, **Pedro Contreras**, **Ron Gaumont**, and **Brion Beetz** had a most enjoyable month catching limits and near limits of both crab and rockfish. Some of these gentlemen prefer crab over turkey for their Thanksgiving dinner and so a few turkey lives were saved.

Eight of us made our semi-annual trip to Lake Almanor at the end of October. Many rainbows were landed, but we did not quite make the limit. We have set the two 2026 Almanor trips for May 26-29 and October 13-16. However, we are considering expanding the trips to one week.

Our group has now established a relationship with the fishing group in Branch 45 in Yuba City, known as the Slow Trollers. We are exchanging calendars and we now can join the Slow Trollers on their outings and they can join ours. This will hopefully gain new opportunities for our group.

Tom Kostik continued his forays in the Delta. He made three trips this month, twice accompanied by **Mike Pruitt** and once accompanied by **Harry Sherinian**. The trips yielded, respectively, 21, 20, and 17 stripers, of which 10 were keepers. In addition Mike caught a nice salmon, which was released.

Stan Wong made six striper trips in the Delta and limited three times for trout in Lake Berryessa. He also entered a striper derby in the Delta, catching a large striper off Decker Island which put him in line for first place. Unfortunately, three larger stripers were boated by other competitors in the last hour and he finished fourth. But he still collected some prize money.

We are looking forward to 2026 and have our usual lineup of trout, halibut, rockfish/lingcod, shark, and (hopefully) salmon trips lined up and scheduled. There will also be a new adventure. We will be going to Pacific City, Oregon for a dory trip for salmon and crab in July. This will be a rather strenuous outing because the dories are launched in the surf. Should be fun though!

Our next breakfast meeting is scheduled for January 22 at the Legends Bar and Grill at Diablo Creek Golf Course, 4050 Port Chicago Highway in Concord. The meeting begins at 8:30 am, but please join us for breakfast beginning at 7:30 am for camaraderie and fish stories, even if you have never fished or have not fished in a long time but are thinking about starting or renewing this activity. You don't need equipment for our outings. We always can lend you some!

Photography Group

John "Moose" Kelly and Mike Rothman

SIR Branch 146 photography members met on Tuesday, December 9th at Rocco's Pizzeria in Walnut Creek. Those SIRs that attended are the following: **Bill Holly**, **Miker Rothman**, **Frank Terzuoli**, **Larry McAllister**, **Richard Pace**, **Bob Wilkenfeld**, **Don Casey**, **Cleo Bolen**, **Clint Collier**, **Ron Polivka**, **Henry Thatcher**, and **Moose Kelly**. A BIG "thank you" to **Bill Holly** for bailing out **Moose Kelly** on the projector situation.

The focus of this meeting was to vote on the best picture of the year for two segments: 1) Camera Phones and 2) DSLR camera. Six photographers submitted 3 photos each for camera phone category. Three photographers submitted 3 photos each for the DSLR camera category. The judges consisting of **Miker Rothman**, **Henry Thatcher**, and **Moose Kelly** narrowed the selection to one photo per entrant for camera phone category and two photos per entrant for the DSLR category. After reviewing the pictures for each category, the membership voted. The final result was **Ron Polivka**, the winner for the Camera Phone Category and **Frank Terzuoli**, the winner for the DSLR Camera Category. CONGRATULATIONS **Ron** and **Frank**. Photos are attached to this article for your viewing pleasure.

Moose Kelly and **Miker Rothman** did a special "thank you" presentation for all the hard work that **Henry Thatcher** has done for the photography club through the years. **Henry**, in the top picture, is stepping aside as the Co-Chair but will still be an active member sharing his expertise and knowledge on photography. THANKS for all your hard work, **Henry**! **Miker Rothman**, in the second picture, has accepted to be the future Co-Chair of the photography club. Thanks for stepping up, **Miker**! It is appreciated.

The entire photograph group then celebrated our final meeting of the year by sharing pizza and drinks with one another at Rocco's. The club had a great number of outings throughout the year such as the Architectural shoot of the Financial District, the Carnival Parade in the SF Mission District, and more. It was a great year

for the club members that shared in the success. Thanks gang!

Our next meeting will be on January 16th at the Walnut Creek Library in the Las Trampas Room at 9 am. We will discuss the important subject of composition that occurs with each and every photo we take. Additionally, we will discuss a photo shoot that **Don Casey** is investigating in and around Hercules, Port Costa, and Martinez. A future date and time will be determined by **Don**. There will be a discussion on the calendar for the photography group as well as other topics. COME AND JOIN US!

Attached is an end of the year photo link on a number of pictures that members took. Enjoy!

Birding Ted Robertson

During the outgoing low tide, a group of eight SIR birders met at Meeker Slough south of the Richmond Marina. This area has a nice mixture of wetlands, sloughs, mudflats, open water and mixed vegetation. We ended up spotting 45 species of birds. Some highlights of the trip included a very rare sighting, a lost America Redstart from eastern North America, a fly over of 12 Snow Geese, the endangered Ridgway's Rail (heard only), a Say's Phoebe, 10 different species of shorebirds, 2 American Wigeons, 10 Northern Shovelers, and 15 Green-winged Teals.

On our next field trip will be on January 7th at Valle Vista near Moraga, the edge of Upper San Leandro Reservoir, a very birdy area where we saw 49 species last year including the colorful Wood Duck. If interested in this or future bird trips, please email **Ted Robertson** so you can be added to the monthly mailing list that has specific directions to each month's birding location. I have a few loaner binoculars and beginners and photographers are always welcome.

Hiking

Ray Martz and Bob Wilkenfeld

On the cold and foggy morning of December 8th, Earl Bates, Jim & Hyun Crites, Eric Finbso, Mike

Gipps, Tom Lambert, Roger Meyers, Gene Schulting and Bob Wilkenfeld started out on our 4.8-mile hike. We were all bundled up with multiple layers, hats and gloves. But by the time we climbed 1000 feet to the top of Lime Ridge, most of us had stripped down to just shirts and an outer layer. The beautiful view of the valleys east and west of the ridge was a great accompaniment to our lunch break. To celebrate our safe return to the parking lot, most of us gathered at the Boundary Oak Golf Course café to down a pint of our favorite brew.

The Diablo Foothills Regional Preserve was our venue on December 15. Earl Bates, Cleo Bolen, Jim Crites, Chris Duffek, Eric Finson, Mike Gipps, Ray Martz, Roger Meyers and Gene Schulting completed the 4.2-mile hike with almost 900 feet of elevation gain. It was great to see green hills again!

The hikes we plan are 4-7 miles in length with up to 1000 feet of climbing. Advanced email notifications for each hike and walk describe the outing details, including starting point, route and difficulty. Spouses and guests are always welcome. Our canine friends will be allowed on leash if the hiking venue permits it.

If you are interested in joining us, please let Bob know.

Wishing all of you Happy Trails in 2026!!

Book Group Nick Jabuka

Book Club Review: Post Thanksgiving Meeting

We met on the Wednesday following Thanksgiving. We had a good group of 7 in attendance. In addition to talking about the month's book and deciding on next month's book, we discussed SIR membership, how to market our organization, and finally shared our early memories of interest or attraction to visual art and specific artists.

Our November Read: "Wait Till Next Year"

'Wait Till Next Year' is a memoir by Doris Kearns Goodwin of her Brooklyn childhood in the 1950s, centered on family, baseball, and coming of age. Framed by her lifelong devotion to the Brooklyn Dodgers, the book explores her close relationship with her father, neighborhood life, school, and early experiences with loss and change—including

the Dodgers' move to Los Angeles. Through sports and everyday moments, Goodwin reflects on how hope, resilience, and shared rituals shape identity and memory.

Our Verdict – It's a Homerun!

We all enthusiastically recommend this book. If you liked baseball growing up or have fond memories of growing up in your neighborhood or have other nostalgic memories of the 50's you will enjoy this book. An easy and fun read by a great writer and historian.

Next Month's Book

Next month's book is "Circle of Days" by the Welsh author Ken Follet. A historical fiction novel set in the Neolithic period, about 2,500 B.C., when Stonehenge was created.

If you enjoy reading and engaging in friendly, interesting discussions, we would love for you to join us! We wel-

come new members.

Gardening Ken Studer

Our November SIR Garden Club meeting was our biggest yet. We had 12 club members there to hear John Fike a UC Master Gardener to make a slide presentation on Good Bug – Bad Bug. He humored us and entertained us with his interpretation of those scary little creatures. After the presentation we followed John to the front yard to inspect plants and determine what their problem was. His answer often was "it depends".

Our next meeting will be January 19th at 10:30 and will cover the topic: **Winter Gardening Essentials**. You would be amazed what goes on under ground in winter while our plants are sleeping.

All are welcome to join and learn about nature in our yard. Text me and I will add you to the email list of members.

Cooking II Steve Ybarra

The Cooking II group had lunch at Melo's restaurant in Walnut Creek. **Dennis Hallett** was the group's host. The Walnut Creek restaurant is more upscale than their Pleasant Hill restaurant. After Lark Creek closed several years ago this restaurant space was complexly remodeled. The establishment is upscale and has a more refined menu that can be recommended without any reservation. The group ordered pasta, salads and pizza dishes. **Bruce Borgman's** small pizza was large enough to share with two of his table mates. This was our second trip to this restaurant and we were again most impressed. We will next meet on January 12th at the home of **Steve Ybarra**.

Clint Collier

Our December gathering is later in December, look for a report on our visit to Tanoshi. As we go to press with this issue we have the largest group of SIR members and spouses since the inception of this activity three years ago. Should be a great end of year event for all.

Our first meeting, in February, of 2026 will find us a bit further afield since we have now covered all of the Wanut Creek sushi establishments. We will head for Dublin to check out Amakara at 7568 Dublin Blvd., Dub-

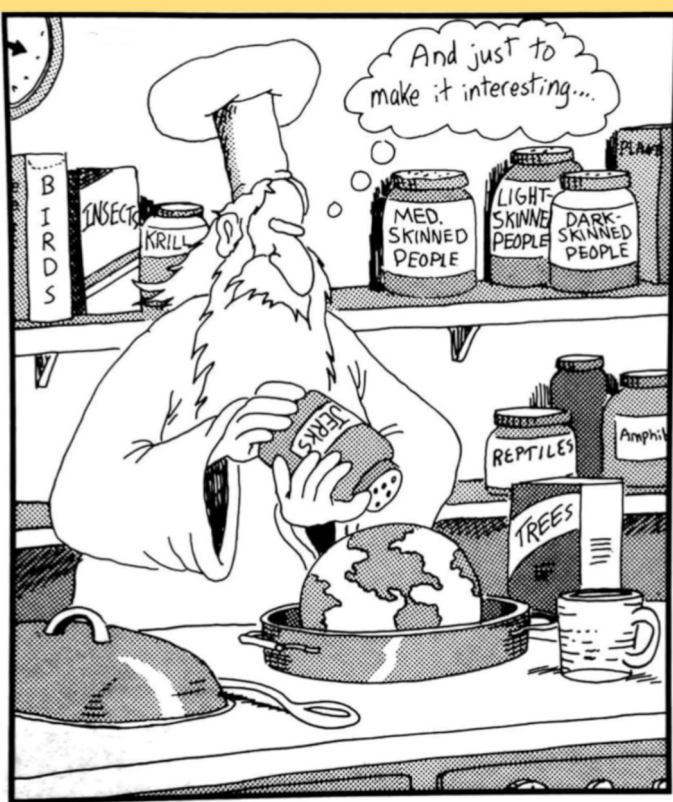

lin. It was recently reviewed on the PBS dining show, "Check Please, Bay Area" and got great marks from all of the show's participants for the variety and quality of their sushi.

Look for details as well as suggested carpooling to be announced around the end of January.

Wine Tasting

Brian McCarthy

Wine Enthusiasts, we are knocking on the door of 2026 which means the January wine tasting is right around the corner. Our next wine tasting is Tuesday, January 27 at the home of **Larry and Ann Kaye**. The red varietal will be Sangiovese (Italian or American). The white varietal will be Prosecco (CHILLED). January weather is unpredictable and usually cool, so we are planning to be indoors. Thus, the number of attendees will be smaller so get your RSVP's in early.

Just a reminder: bring your wine in a brown paper bag if possible. And of course, don't forget your delicious appetizer. The tasting begins at 2:30 and ends at 5:00.

RSVP by email or phone (see below). **Bill** and I are looking forward to seeing you at the Kaye's home.

On December 5th, the El Quattro Mexican Train dominos group met at **Jim and Renie Pope's** home with 14 players to play dominos and to celebrate the Christmas Season. Many were in their best Christmas attire. In attendance this evening were, **Dick and Leslie Firth**, **Ken and Carol Sault**, **Dick and Christy DeVoe**, **Rich and Kim Prace**, **Steve and Susan Oki**, **Scott and Marie-Claire MacDougall** and **Jim and Renie Pope**. The group enjoyed many of **Renie Pope's** favorite tasties and some favorites from several of the other members while consuming some wine and holiday beer. We played at two tables of 7. We paid the player at each table of 7 with low table score; 7 Holiday California Lotto Scratchers. The two with the lowest table scores were **Christy DeVoe** and **Kim Pace**: There were two high score players at each table: **Dick Firth** and **Scott MacDougall**. They received

Mexican Train Dominoes "Cinco" Dennis Hallett

On Thursday December 4th 2025, **Marty Campbell**

welcomed our group to her home to celebrate Christmas and a busy year of games.

As usual, **Marty's** home was decorated for the season, and her guests were greeted with a welcoming fire and plentiful wine and hors d'oeuvres,

Sadly, **Ann Hallett** and **Jim** and **Judy Baldrige** were unable to attend and were dearly missed.

Before dinner, the men and women played separate games to produce 1st and 2nd place winners, who would later proceed to a playoff. The ladies' winners were **Joan Pierce** and **Patti Eisner**, and the men's winners were **Dave Pierce** and **Dennis Hallett**.

A special dinner of Greek Salad followed by Italian Sausage soup was then served, during which **Dennis Hallett** announced the 2025 Cinco Statistics. **Anne Burke** was proclaimed the 2025 Best Player with three 1st place wins plus one of the lowest scores ever recorded in the Group. **Marty Campbell** presented **Anne** with a prize and 1st Place certificate.

Following dinner, a playoff was conducted between

the ladies' and men's winners and after a competitive game **Dennis Hallett** claimed a win for the men followed closely by **Patti Eisner**.

A dessert of Black Russian Bundt cake and coffee was then served to round off a delightful evening with everyone exchanging their most memorable experiences during 2025.

All in all, a wonderful time was had by one and all. Our thanks to **Marty Campbell** for hosting the evening, her efforts on behalf of the group were most appreciated.

Mexican Train Dominoes "Ocho"

Richard Hockenbrock

On December 3rd, 2025, Mexican Train Dominoes Group 8 crowned a new first time and first place winner, **Larry McAllister**. It

was fitting that he won as his wife, **Pam McAllister** had come in first on numerous occasions while **Larry** was collecting lottery scratchers. On this evening, we had nineteen players seated around four tables.

The group took their usual half-time break at 8:30 and were treated with wonderful desserts and snacks provided by **Larry** and **Pam**, highlighted by apple pie and ice cream.

Now for the results: At the dining room table in third place was **Victoria Polivka** with an average score of 17.2. Second place, at the living room table, was **Alicia Baily** with a average score of 13.0. **Larry McAllister**, sitting at the same living room table with just one actual point less than **Alicia**, was first with an average score of 12.9.

Looking ahead to 2026, our schedule and hosts are

already set. Each month, we often have a few regular players who can't make it, so I like to keep two or three couples or singles on standby as substitutes, sometimes with little notice. If you are interested in being a substitute, please text or email me. I will offer my service to teach you how to play.

Our next MTD 8 game will be held on January 7th..

not originally scheduled to play in December) at their home on December 19th. Our next meeting in the new year will be on January 16th at the home of **Don and Linda Casey**. We rotate hosting among different homes.

CARD GAMES ...we play

Poker Group 4

Six members of Poker Group #4 gathered at the home of **Pete Gates** for their December game. Unfortunately, our leader, **Mark Sorum**, had an issue at the last minute and was unable to join us.

A good time was had by all, enjoying the goodies that Pete offered and rousing conversation. The three hours of play was reasonably uneventful, although a couple of peculiar hands come to mind. In a 5-Card Draw game, nothing wild, one player was dealt a full house, for which he proudly upped the bet. However, it proved to be the second best had, as someone drew several cards and produced a higher full house. In a game of Omaha, where each player is dealt four cards down, one was dealt four 5's. Sounds good? Not so much since in Omaha, you can only use two cards from your hand, and it was a loser. Among the winners were: **Ray Bland** (again), **Pete**, and **Melo**.

The time and place for the January game is yet to be determined.

Tony Greco

Larry and **Linda Brown** hosted our December 2nd event. We thank **Max** and **Ardith Hinkle** for subbing for **Tony** and **Cindy Greco** with only a few hours notice when **Cindy** decided she wasn't well enough to play. We also thank **Dick Chaffee** for chairing the event in my absence. **Dick** did such a great job he is now my prime candidate to take over as chairperson. Lol. Feedback from some attendees was that the event went well.

One of the participating couples later admitted to missing 2 slams in the first 2 rounds which I already surmised from looking at the score pads. But it's good that they fessed up. I can also see that **Max** and **Ardith Hinkle** bid and made 6 no-trump in the last hand of the event. A nice way to end the evening. Congratulations!

The official results are as follows:

- 1st PLACE with 3450 points - **Dick** and **Maggie Chaffee**
- 2nd PLACE with 2790 points - **Larry** and **Linda Brown**
- 3rd PLACE with 2630 points - **Brad** and **Lynne Hatcher**

Our next event will be held on January 6th and hosted by **Tony** and **Cindy Greco**.

Hope you're all having a wonderful holiday season and have a happy and healthy new year.

Couples Duplicate Bridge 2

Dave Pierce

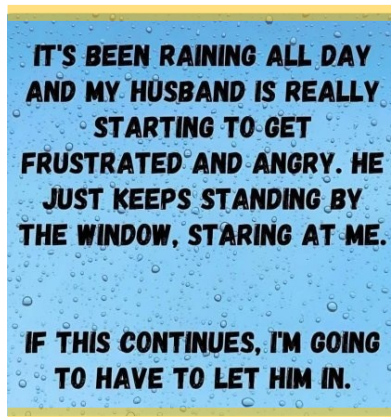

On a crisp December 9th, **Dick** and **Christy DeVoe** welcomed us to their warm and festive home. Those of you who have not had the pleasure of visiting the **DeVoes** in December have missed out on what is probably the largest and finest collection of nutcrackers in the county, if not the state. They come in a huge range of sizes and styles. It's an awesome collection.

You usually find me complaining about people not bidding enough (especially missing slams) but this time we had people going down 800, so I'm buttoning my lip.

It is a tradition in our group (although not often recently achieved) that our subs do well. We like that because we hope that if they do well, they will come back. Subs **Max** and **Ardith Hinkle** (who were second last month) had a great night (66%) to end in first. **Tony** and **Cindy Greco** were second (55%), and our hosts **Dick** and **Christy** were third by half a board (54%)..

Our December game was held at the home of **Melo Piccolo**. **Bob Campbell** substituted for one of

our missing usual players. Thanks **Bob**! **Melo** provided a nice array of snacks and wine which was widely consumed.

Several good-sized pots were created by the game "anaconda." There were several notable high hands including 5 kings and a straight flush. The biggest beneficiary of our game was **Paul Dubow** who broke a string of losses in prior games. He was barely able to get his bulging wallet into a pocket.

We will meet in mid-month in January (rather than on the first Thursday) due to calendar issues. We look forward to a prosperous New Year!
