Call

Big Sir's Corner

Bob Ford

It was great seeing all of the ladies at our Ladies' Day Luncheon and I really enjoyed learning about the history of Walnut Creek. **The upcoming June 12th luncheon is our colorful shirt luncheon.** Wear

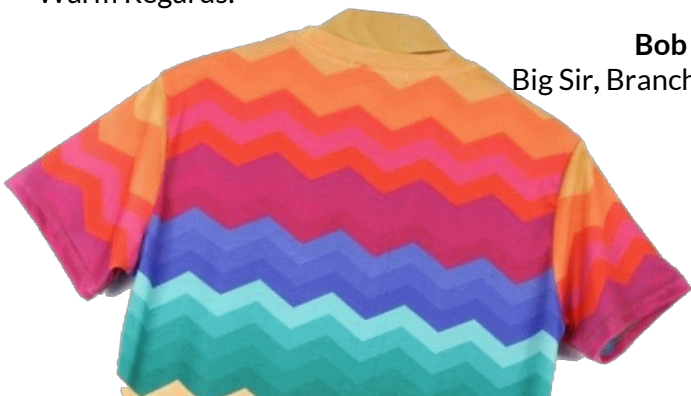

one of your colorful shirts and light up the room.

We are starting the search for our officers for next year. Please consider taking on one of the positions. Remember that you no longer have to serve in all of the positions in sequence. We only ask that the Little Sir and Big Sir positions are served sequentially. Summer is a great time to invite your friends to one of our activities and get them interested in joining SIR. So far in 2025 we have added 6 new members to our branch. This is a little behind our pace in 2024 so if you know anyone that might join, please invite them. The Mission of SIR is Make Friends For Life. Remember, your friends and acquaintances need not be retired to join.

Warm Regards.

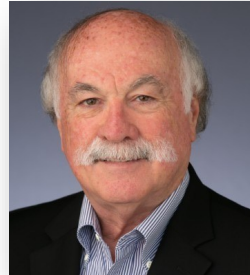

Bob Ford

For our June Monthly Luncheon, we are pleased to have Loyd Gordon of the Northern California Power Agency. The NCPA, a California Joint

Action Agency, has sixteen members, and was established in 1968 by a consortium of locally owned utilities to make joint investments in energy resources that would ensure an affordable, reliable and clean supply of energy for customers in its member communities. They also own a full-time scheduling and dispatch center for its members. Mr. Gordon is the Plant Manager at the Lodi Energy Center in Lodi, CA and he will discuss the process of converting the existing 310 Mw Natural Gas Power Plant to use hydrogen as fuel. The objective is to significantly reduce the carbon that the natural gas power plant would emit. This leading-edge action is the first in the nation to do this.

In subsequent months we will have a Macroeconomist who lectures at UC Berkeley, a Captain from the Contra Costa Fire Captain on life saving techniques, a Captain from the San Francisco Harbor Pilots, an executive from John Muir, a former Top Gun Pilot, and the Devil Mountain Chorus will return in December. The Speaker's Committee con-

Editor's Ramblings Clint Collier

Last month I mentioned that One of our SIRCall staff is down... but not out. Our photographer, **Henry Thatcher**, is recovering from knee replacement surgery. He seems to be doing fine and is attending some func-

tions with the help of a cane. We are indebted to **Rich Lyon** for filling in as our photographer for the ladies' Day Luncheon. He did a fantastic job. That is the good news. But as the old joke goes, if there's good news there's usually bad news. **Henry**, even with his good recovery is not yet to the point where he can run around the luncheons taking pictures so we are looking for someone to fill in for the next few meetings. It can be someone who is willing to cover all of them, it can be someone who can just cover one (or two, pretty please?). Is that person you? If it is we would like to

hear from you "muy pronto" so we can continue this section of SIRCall. Pay? Abundant recognition in SIRCall to let your friends know that you are doing your best to support the organization!

So, as we move into June I want to wish all you SIR members a Happy Father's Day. And I would be remiss as the leader of Sushi no Tomodachi in not pointing out that June 18th is International Sushi Day! Our sushi group will be celebrating the following day with a dinner at Sasa in Walnut Creek. "Motto o sushi o tabemashou. Karadaniidesu yo!"

The cut off date for SIRCall submissions for July is the 20th of June, however don't let that hinder you from turning in your submission earlier in the month!

The Yacht Club Restaurant in Walnut Creek Closes!

Ron Polivka

After nearly three decades in business, the popular Walnut Creek Yacht Club shut its doors for good on May 7. In anticipation of its closing, four members of SIR 146: **Dennis Hallett, Lew Thompson, Steve Ybarra** and **Ron Polivka**, along with their wives, gathered together over lunch at the Yacht Club on April 28. In addition to simply savoring one final meal at the Yacht Club, three of the couples were also celebrating milestone events. **Lew and Carla Thompson** celebrated their 68th wedding anniversary, **Ron and Victoria Polivka** celebrated their 50th wedding anniversary as well as **Ron's** 78th birthday, and **Steve and Dana Ybarra** celebrated their 45th wedding anniversary! The restaurant kindly acknowledged these multiple celebrations by bringing out complimentary desserts for the table!

Dennis, Lew, Steve and Ron all met through their involvement with SIR146, and over the past 5 years, have enjoyed playing golf together each Thursday morning at Diablo Hills in Walnut Creek.

You're not alone, Ron

Editor/Clint Collier

You aren't alone in mourning the loss of the Yacht Club, **Ron**. My wife and I go back over almost the full 30 years with our relation with chef/owner Kevin from when he was one of the two chefs that came to our home to fix us dinner as participants in the Contra Costa Times "Surprise Chefs" program. We subsequently enjoyed many a meal at this Walnut Creek institution as well as a number of parties. Sailing burgees from both of the Yacht Clubs I belong to adorned the walls at this "Yacht Club".

We were fortunate to be part of the Lunch and Wine SIR group who serendipitously chose the Yacht Club for their April event (see their following story) as well as a final lunch with friends there on the 5th. We wish Chef Kevin the best in his new career.... Retired Chef!

NOTES

from Our Members

And now folks... a little humor to brighten your day.

Anonymous

Yesterday, I was at my local Safeway store picking up a large bag of dog food for my loyal canine friend. While waiting in the checkout line, a woman behind me glanced at the bag and asked, "Do you have a dog?"

What did she think I had—an elephant? But since I'm retired and have plenty of time on my hands, I decided to have a little fun.

"No," I said with a straight face, "I don't have a dog. I'm starting the Dog Diet again."

Her eyebrows shot up, so I continued. "I probably shouldn't, though. Last time, it worked wonders—I lost 10 pounds—but I ended up in the hospital. I woke up in intensive care with tubes everywhere and IVs in both arms."

By now, the people in line were starting to pay attention. "The diet is simple," I explained. "You just keep some dog kibble in your pockets and eat a piece every time you feel hungry. It's nutritionally balanced, so it's perfect for weight loss. I figured I'd give it another shot."

The woman looked horrified. "Why did you end up in the hospital? Did the dog food poison you?" she asked.

"Oh no," I replied, shaking my head. "I stepped off the curb to sniff an Irish Setter's rear end, and a car hit me."

The guy behind her nearly fell over laughing, and I'm pretty sure the cashier couldn't breathe. Suffice it to say, I think I might be banned from Safeway.

Moral of the story? Be careful what you ask retired folks—we've got all the time in the world to come up with creative answers.

Cycling Group Larry Kaye

March 25th:

April 22nd: The weather was super, the scenery was magazine cover. The ride was The George Miller Trail along the Carquinez straits. Today we had **Jim Crites, Thom Degnan, Tom Alborg, Bill**

Holly, Dave Paulson, Brian Totter, Jim Rowland, Elmer Bricca, Ken Studer, and **Larry Kaye**. We had hills, and more hills and more hills. The grades were close to 13%. Killers. The view corridor made that bearable. Up became down. The downhill were sharp and fast. Really fast. The brakes got a workout. The drive was to get to Martinez and visit State Street coffee. Well, we made it but.... They were closed. So as a backup we rode to Starbucks and had crap java. The remainder of the ride got us on some backstreets and finally to our steel chariots. Our legs were happy to stop. Today it was obvious that age means nothing. Exercise is the key to living a good life. Get off your butts.

April 29th: We were to go to San Ramon and meet the Ride Leader from SIR San Ramon. We did that. Great ride. Today we had: **Brian Totter, Jim Crites, Jim Nelson, Bob Wilkenfeld, Tom Alborg, Ken Studer, Larry**

4/22 (Left to right): **Jim Crites, Bill Holly, Jim Rowland, Ken Studer, Elmer Bricca, Dave Paulson, Brian Totter, Larry Kaye, Tom Alborg**, Photo by **Thom Degnan**.

Kaye and Pat Hoy from another Sirs group. We met **Bill** at Starbucks and got the info on Tuesdays long ride to Sunol. Then we came back to our cars. Fun, easy, flat and warm. I wore the new Club Jerseys as requested by **Bob** but... no one else did. Very sharp. We rushed this ride as the wine tasting was also today. Get up, get out of the house and stay young.

May 6th: Today was super. We joined the San Ramon SIR riders and did a long ride to Sunol. 14 Of our 146 guys rode. We went to the famous HEARST Verona bridge. He built it to get to his home from his private railroad stop. Fun ride. It was **Thom's** birthday and so we all rode. Two groups with different routes. We met up in Dublin and returned as a group. Lunch was compliments of **Thom** at Hazy BBQ in Danville. So nice to share events like this with guys that enjoy. Today we had: **Thom Degnan, Larry Kaye, Dave Paulson, Tom Alborg, Eric Finson, Jim Crites, Elmer Bricca, Bob**

Cycling Group continued on next page

Wilkenfeld, Ken Studer, Moose Kelly, Brian Topper, Jim Nelson, Jim Rowland, and Bill Holly. I ask you, "How many guys over 70 or 80 can do this?" It's called exercise. To find it, go out the front door.

L to right. **Ken Studer, Bob Wilkenfeld, Larry Kaye, Thom Degnan, Dave Paulson, Moose Kelly, Elmer Brica, Eric Finson, Brian Lotter.**

May 13th. Canyon? What's a Canyon? Well it's a little tiny town nestled between the hills separating Moraga and Oakland. We would explore this gem today.. **Jim Crites, Moose**

The three hardest things to say are:

1. I was wrong
2. I need Help
3. Worcestershire Sauce

SongSirs **Peter Plante**

The SongSirs are preparing a program that will be a mix of summertime and patriotic songs for a June 13 performance at the Kensington Retirement Home in Walnut Creek. We will be singing such favorites as "Beyond The Sea", "The Green Leaves of Summer" and "Blue Moon."

Our next rehearsal is on June 4th, 2025 at Walnut Creek Presbyterian Church at 1:30.

We are always looking for new members, so join us for a fun time and camaraderie. No auditions necessary, just a love of music and singing.

Peter Plante
pcplante109@gmail.com

Kelly, Bob Wilkenfeld, Ken Studer, Elmer Bricca, Thom Degnan, Brian Totter, Dave Paulson, and Larry Kaye. Great ride. The weather in Orinda turned cold but we knew that would change. We explored Canyon and took in the school and Post Office before we headed to Si Si for java. At the cafe we met **Bill Ross** who's recovering from an injury. The trip back split us into two groups. **Moose** and a few took the long way back while I, Larry Kaye, and the rest flew down past St Marys' college into and thru Lafayette and back to our warm cars. A very nice ride and some good hills to test one's ticker. A short time in the gym is better than any time on your couch. Get outside while you can.

Gardening **Ken Studer**

We meet on the Third Monday of the month at 3:00. Our format is to meet outside at different member's homes to learn about best practices in the world of horticulture. We learn about different gardening topics

each month, such as: soil science, vegetable growing, pruning techniques, irrigation problems, container gardening and sheet mulching to name a few. And we learn from our member's collective experiences. We strive for a social and educational balance in these get togethers. We are a new activity and are still trying to find a good mixture of speakers, demonstrations and public gardens to visit for our get togethers.

Our May meeting gathered at **Eric Finson's** garden to learn from his experience with vegetables in his raised beds and fruit tree orchard. **Ron Lew, Tom Stucker, Bev Collier, Eric** and myself were there to learn about pruning techniques. We demonstrated a new way to improve the health and abundance of fruit from his lemon tree. But we learned the most that day from observing how **Eric** adapted good horticultural techniques to make his garden flourish with color and new growth.

We welcome newcomers and their wives or significant others as well. Send me an email and I will add you to the list of members.

Birding Ted Robertson

At 8:30AM, a group of ten SIR birders explored the Castle Rock Area of Walnut Creek and spotted and heard 33 species of birds.

The highlights of the trip included a Peregrine Falcon perched on a ledge in the cliffs, a pair of western Tanagers (one of my favorite California birds), Ash-throated Flycatchers, a Lark Sparrow (my favorite sparrow), and great views of several Western Bluebirds.

I'm also a retired botanist (as well as an ornithologist) so we also looked at several unique wildflowers including rare and endemic Mt. Diablo Globe Lilies and the Mt. Diablo Sunflower, plus the northernmost extension of the Crimson Sage. (Maybe I should call the group birds and botany).

Our next field trip is scheduled for the morning of June 11th (2nd Wednesday) at a location to be announced early next month. I study the county bird reports the week before for the best location.

If interested, please email **Ted Robertson** so you can be added to the monthly mailing list.

Ed Marlovits

Tuesday Golf is the SIR Branch 146 Golf Club. We play weekly at Boundary Oak. Joining has a cost of \$80 per year which covers your NCGA membership and provides a recognized golf handicap. Prize fund participation is an option. Most weeks are stroke play but there are typically monthly team events as well.

In addition to branch golf, members are eligible to participate in numerous SIR State Golf events. This year has nine scheduled State events which are shown in the SIR State Golf website: <https://sirgolf.org>.

Nine Hole Golf Group

Bob Ford

Do you want to work on your short game? Diablo Hills is the perfect place. It has a unique combination of par 3 holes that will improve those short shots. Our group tees off at

9:30am at the Diablo Hills Golf Course on every Thursday, except the second Thursday of the month when we go to the SIR luncheon. It is open to all, and you don't need to be a member of the NCGA or have a handicap to play. It takes us about two hours to play, then most of us also have lunch at the Greenery which is the restaurant at the course. On Fridays, I will send out an email asking who is coming for golf and if you plan to walk or ride. On Wednesdays I will send out an email with who signed up for Thursday morning. I hope to see you there!

Hiking Ray Martz and Bob Wilkenfeld

Our hike up Mt. Diablo on April 28th, from the Regency Gate in Clayton, was advertised to be 5.3 miles and about 1100 feet of climbing. Seven miles later and after 1800 feet of climbing, we were all exhausted and ready for a shower, hot tub and cold drink!! Still **Earl Bates, Cleo Bolen, Eric Finson, Ray Martz, Gene Schulting and Bob Wilkenfeld** all had smiles on their faces when we returned to our cars.

Monday May 5 was a glorious day in Briones Regional Park. **Cleo Bolen, Jim & H Crites, Chris Duffek, Eric Finson, Bob Lively, Ray Martz, and Bob Wilkenfeld** hiked 4.7 miles and climbed 850 feet. Along the way we saw many mountain bikers and other wildlife.

Apparently, April showers bring May showers, so our hike on May 12 was cancelled. We carried over the outing in Las Trampas Regional Park to May 19, which turned into quite an adventure. The "Secret Trail" we took was hard to find and turned out to be an unsanctioned mountain bike slalom course. Fortunately (?), we were headed uphill, as the trail was very narrow and steep in places. **Earl Bates, Eric Finson, Ray Martz, Bob Mason and Bob Wilkenfeld** climbed almost 700 feet in one mile! In the end, we opted to cut our hike short and ended up doing only 3.1 miles, but over 900 feet of climbing.

The hikes we plan are 4-7 miles in length with up to 1000 feet of climbing. We also host a 3-4 mile flat walk each month on the 2nd Friday of each month (i.e., the morning following our Branch Luncheon). Advanced email notifications for each hike and walk describe the outing details, including starting point, route and difficulty. Spouses and guests are always welcome. Our canine friends will be allowed on leash if the hiking venue permits it. If you are interested in joining us, please let **Bob** know.

AREA 16 Fishing Report Paul Dubow

To paraphrase the George Gershwin song from *Porgy and Bess*, spring has come, and the fishing is easy---well, sort of easy. But we all had a good time in May, even when we didn't catch fish.

We will start with our semi-annual trip to Lake Almanor. Eight of us journeyed to the lake at the foot of Mount Lassen. We were anxious for a good outcome because **Steve Paulick** had been there one week before and had limited out. Unfortunately, the group ran into stiff winds and they were only able to catch sixteen rainbows in two days of fishing. But the fish were good size. And they made up for the slow fishing

Ron Lew & Halibut

by enjoying themselves at the PG&E campground where they cooked and ate some hearty meals accompanied by a few libations.

Pete Gates and **Steve Lofton** made their annual trek to the Feather River and also fished in Mill Pond, near Graeagle. They kept enough trout to stock their refrigerators with two family meals each. They also had a unique experience with the Department of Fish and Wildlife. They were fishing from the shore at Mill Pond when a game warden appeared. While the warden was checking **Pete's** license and examining his catch, he advised Pete that there was a fish on his line. **Pete** dropped everything and grabbed his rod. The warden was right behind him and he netted the fish for **Pete**. And so it can be said that we do get some return for the cost of California fishing licenses.

Pete also fished at Los Vaqueros Reservoir with four others, where they caught several trout. **Stan Wong** fared a bit better at the lake. In two trips, he caught 25 stripers, weighing up to 15 pounds, using rattletraps as lures. **Ken Konzak**, **Dennis Lee**, and **Brion Beetz** made separate trips to Los Vaqueros and came home with trout. In other lake fishing, **Ed McElroy** caught a bass in Lake Chabot and **Dave Paulson** picked up a trout at Lafayette Reservoir. However, **Steve Decker** was skunked at Sherman Lake and **Ron Lew** had a similar experience fishing from a kayak at Contra Loma

Fishing Group continued from previous page

Reservoir. **Geno Calhau** was limited to sunfish at Lake Berryessa. **Steve Paulick, Stan Wong, and Ben LaSala** did well trout fishing in Collins Lake.

Tom Kostik, our resident expert in the Delta, made eight trips to that fishing ground and caught and released 52 stripers, two sturgeon, and a flounder. **Mike Corker, Stan Wong, Harry Sherinian, Ken Bellindir, Matt Richards, and Phil Scimonelli** caught stripers and black bass in the Delta. Phil is also a habitue of the Antioch Pier, where stripers are always plentiful. The stripers are undersized and must be released, but they are bigger than trout and fun to catch. Phil caught over 50 this month.

Halibut fishing in the Bay has not been as good as last year, but we expect it to improve. In the meantime, both **Ron Lew** and **Ken Bellindir** caught a halibut in excess of 30 inches. The minimum size for halibut is 22 inches and fish in excess of 30 inches are rare. Ron also picked up a skate.

In the ocean, **Nic Jabuka** and **Dennis Lee** tried their luck surf fishing at Ocean Beach and Stinson Beach, but only caught a few crabs. New member **Tony Astone** did well fishing for rockfish out of Bodega Bay, and **Carl Moyer** caught some rockfish out of Emeryville.

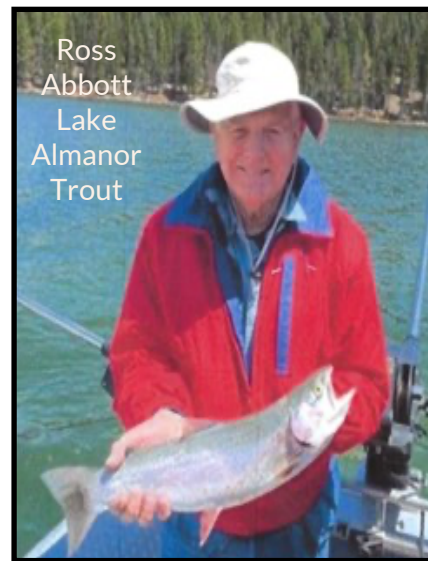

Stan Wong and **Brion Beetz** traveled to Los Gatos with a number of pre-teens, where they taught them how to cast for trout and catfish. They proved to be good teachers because one of the girls on the trip landed a four-foot carp! But the best part of the trip were the hot dogs that Brion and Stan cooked.

And while we are on the subject of food, twenty of us

enjoyed the semi-annual fish fry hosted by **Carl Moyer**.

Our next breakfast meeting is scheduled for June 26 at the Legends Bar and Grill at Diablo Creek Golf Course, 4050 Port Chicago Highway in Concord. The meeting begins at 8:30 am, but please join us for breakfast beginning at 7:30 am for camaraderie and fish stories, even if you have never fished or have not fished in a long time but are thinking about starting or renewing this activity.

Say Nothing
by Patrick Radden Keefe

Say Nothing is the true story of the Troubles in Northern Ireland, a period of violence and social unrest between the Catholics of Northern Irish versus the Protestants and the British authorities. The book covers events primarily during the 1970s – 80s, a period filled with many acts of violence and sad stories of individuals and families caught up in the conflict.

The author uses the abduction of Jean McConville and the impact on her children as a central focus of the book. The book also describes the lives of Dolours Price, Brendan Hughes, and Gerry Adams, who all played significant roles in the strikes, protests, violence, and political strategies employed by the Catholics who were seeking reunification of Northern Ireland with the remainder of Ireland under Irish control.

The author based the book on his research and the many archival records available on the period.

The book's title is taken from the poem "Whatever You Say, Say Nothing" by Irish Nobel laureate Seamus Heaney and underlines the danger in saying anything to the British authorities, as any misguided comment may lead to an adverse action on a neighbor or friend or a response by the IRA against the 'snitch'.

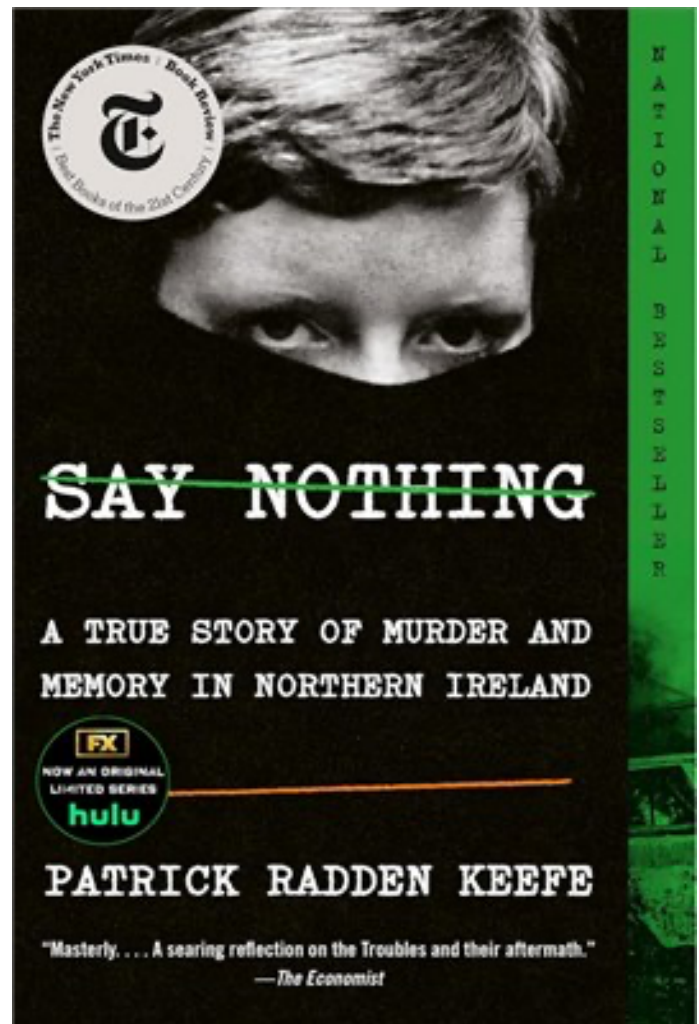

Recommendation/Comments

The group generally found the book interesting and informative for those who wanted to learn more about this period in Northern Ireland's history. The book doesn't provide a more extensive history of Northern Ireland or the relationship between the English and Irish peoples. We recommend the book, but **only** for someone interested in this period of Irish history.

Next month's book is *Personal Librarian* by Marie Bene-

dict and Victoria Christopher Murray. The book tells the story of Belle Da Costa Green's work as the personal librarian for J.P. Morgan and as director of the Morgan Library & Museum. The novel follows Belle as she begins her employment with J.P. Morgan, enters the world of high society, and disguises her true identity as a person of color.

Cooking II Steve Ybarra

The Cooking II group met at **Corrie Oranje's** home on May 12th after a morning rain said goodbye to Spring and Summer. As usual everyone arrived with a bottle of wine in hand. **Corrie** greeted everyone with a new, agreed upon, lighter menu. The group was first introduced to a variety of cheese, salami and crackers. Next, lively conversation ensued without politics or religion being discussed. The group was then seated in **Corrie's** dining room to enjoy a bowl of split pea soup. **Corrie**, who was born in the Netherlands, served us an old world recipe that was delicious. Accompanying the soup were a variety of sandwiches from the Sourdough Company. The group agreed that the Sourdough Company could be recommended as a local sandwich eatery. The group will next meet on June 9th at the home of **Bruce Borgman**.

寿司の友達 Sushi no Tomodachi Clint Collier

Who's ready for some first class sushi! Our June outing will be our first non-holiday outing where significant others

are invited to join us. In recognition of the monumental greatness of this occasion I have selected Sasa, in downtown Walnut Creek, as our Japanese restaurant of choice. A number of people have asked why we haven't gone there, well this is now your chance. It was picked because of its offerings beyond sushi for those significant others. It promotes it self as an Izakaya! And, of course, those sushi aficionados amongst us are welcome to deviate in their menu choices as well when we try this famous Walnut Creek Restaurant.

Sasa

But, it turns out that they do not serve lunch during the week, only on weekends. So, a slight change in our routine. **This will be a late lunch/early dinner event starting at 5:00pm on our usual day, Thursday June 19th.**

Reservations are a must. A notice will be sent out the first week in June asking group members to confirm their participation. No shows for confirmed reservations may incur a charge! If you are not a member of the Sushi no tomodachi group and want to join us, shoot me an e-mail and we will try to accommodate as many as our reservation allows.

Cooking Lunch and Wine Paul Dubow

The Lunch and Wine (LAW) Group started in 2008 as a monthly luncheon where each member served as host and cooked a very good meal, while the guests each contributed a bottle of wine. Since then, a few of us retired from the cooking department. And so now the monthly host has a choice of hosting or inviting the others to a local restaurant. When we go to a restaurant, the guests no longer need to bring wine and so they make up for it by paying for the meal.

This month, our host was **Syd Whalen** and he chose to meet at Back Forty in Walnut Creek, where we enjoyed various barbecue plates, including Cajun catfish. The food was excellent.

One of our traditions is that our wives or significant others enjoy a lunch at a local restaurant while we are dining, but they do so at a separate location. This month, however, was a departure, as the women also chose the Back Forty. However, they had a separate room and we did not see them until they were kind enough to drive us home.

If any of you want to join our group, you would be quite welcome. We meet on the third Wednesday of every month from 11:30 am to 2 pm except in November and December. In April and September, we forego the luncheons and have dinner out with our spouses and significant others. And you are welcome even if you don't know how or like to cook or do not have a wife or significant other.

If you are interested, please contact Paul Dubow.

Wine Tasting Brian McCarthy

The April wine tasting was held at the home of **Bob and Jane West** in their recently renovated beautiful yard. It was a lovely spring day. We had an excellent selection of wine and an assortment of delicious appetizers. This all made for a fun-filled day. (How could it not be, with good friends, wine and food.)

Two new members joined us--**Mark Raaberg** and **Ed Lichtig** and his wife, **Lianne Abrams**. We hope to see them again at another wine tasting. They are great additions to the group.

Bruce Kimmis and **Christina Stratton** brought the most popular (determined by vote) red blend. The most popular Sauvignon Blanc was brought by **Tom** and **Pege Amann**.

The one little "hic-cup" that we have every wine tasting is trying to open umpteen wine bottles while the group stands around with empty glasses. So, I want to thank **Bill Holly** and **Curtis Young** for assisting in the bottle uncorking.

We only do four wine tastings a year and they are very popular. We often have a waiting list so when you see the notice, let us know as soon as you can. This brings me to the next wine tasting. The July wine tasting will be on the fourth Tuesday, the 22nd at the home of **Bob and Wendy Lucido's** home. Details will be in the next issue of the newsletter.

Couples Dining Out Bruce Borgman

As we indicated in last month's article, we planned to check out Casa Orinda for our May Dining Out event. This venerable restaurant is one of the oldest in the East Bay, having

served the finest Western and Italian food in the area for the past 84 years. The restaurant was presumably started by the engineer who built the original

CASA ORINDA RESTAURANT

Caldecott tunnel because there was no place for his workers to eat! We did enjoy a Couples Dining Out event in 2019, and we had not returned since it is just a bit further in Orinda out on highway 24. I had a harder time connecting with Claudia, the general manager, because the restaurant is closed on Monday and Tuesday. When we did meet, she was happy to accommodate our group and had all our contact information readily available! So, we arranged to have our Dining Out event on Wednesday, May 21. We thought that we'd have fewer diners attending because of the distance and set our limit at 40 diners. But, many of our group were interested and we reached our goal within a few days. We finally wound up with a total of 52 diners, happily with some new members as well.

The restaurant has a reputation for the best fried chicken in the East Bay, and beyond, and almost half of our diners elected this entrée including **Mary McCarthy** shown with her chicken in the picture! In addition, we had a choice of sautéed prawns, veal scallopine marsala, and chicken cacciatore. We started with a tossed green salad and for dessert enjoyed the house made lemon pie.

You will be able to see several pictures of our event.

Now, I'm pleased to let you know that this time we've already planned for our next Couples Dining Out event – which on our bi-monthly schedule will be in July. One of our regular diners, our good friends the

CREEKSIDE GRILL

Korfhages, suggested that we might check out a res-

taurant at Rossmoor, the Creekside Grill. We were not familiar with the restaurant, which, as you probably would surmise, primarily caters to the happy residents at this well know retirement community adjoining Walnut Creek. **Jonathan** and **Barabara** arranged to have us meet the general manager Stan. He was most accommodating and was able to provide us with an excellent menu at a very good total cost. We stayed for the special dinner that evening in the restaurant, which happened to be prime rib! The dinner that Stan is proposing will be a starter salad, and a choice of four entrees, to include Chicken Marsala, Grilled Salmon, Eggplant Parmesan, and... the prime rib (!), followed by a red velvet cake for dessert. All of this for just \$55 per person, including tax and tip. This will be one of the best deals of our recent dinners. The dinner primarily with the prime rib will be a wonderful meal.

Since we are early in planning this event, we will be working on the informational flyer which will be distributed to our Dining Out mail list. Or let me know by email that you wish to join us for this event.

We will have one of the private rooms with seating around round tables of e. Total capacity is probably around 56. As an added perk, we have the use of the patio with tables which overlooks the water features of the golf course and is a wonderful setting for our no-host cocktail hour. I have therefore thought that we will have a slightly expanded cocktail hour starting at 5:00pm until dinner at 6:15. While sipping your wine, you may even wish to get a plate, or platter of calamari and shrimp, on your own, of course and socialize with your SIR friends.

The date for this event will be on Monday, July 21. As noted, we're early in the planning process. Watch for the flyer!

MEXICAN TRAIN Dominoes

Group Uno 1

Mexican Train Dominoes "Uno"

Mexican Train Uno met at **Alicia Baily's** home for our monthly Mexican Train game. There was one table of 5, and the second table had 6 players.

The table of 5 were quite efficient and almost completed a full round of hands, playing all the way from the double 12 to the double one.

We also had a "first" that in all our years of playing Mexican Train has never happened! A good three quarters through the second hand (double elevens), at the end of the six extensions (5 players and the mexican train) were two tens, and 3 fives. Players still had tiles to play in their hands but it turned out that the end tens, and end fives were DEAD. We were able to count 13 tiles (14 faces) of the tens & fives in the played tiles. The hand was ended as no one could make a play. It is an interesting game.

I think everyone had a good time, although **Jim Stedman** felt the Gods were against him. He had an all time high. On the opposite end, the big winner was **Bruce Borgman** (average 11), followed by **Jane Bryant** (average 21.5) and coming in third place was **Sue Oranje** (average 22.5). A delightful raspberry lemon cake was featured at break time. We look forward to our June game at **Peter and Gabriela Bishop's** home.

Ron Plachy

We played at the home of **John and Nancy Pearl** in April. We had a full complement of our regular players.

For the second month in a row, we had winners from the same household. **Bev Collier** (11.75 avg) bested her other half **Clint** (11.80 avg) to take 1st place and leave **Clint** with 2nd place. The score keeper at his table (not saying that had anything to do with it ☹), **Dan Holland**, captured 3rd place with a 16.3 avg.

Our next game is scheduled for Friday, May 23rd at the home of **Ron and Anne Plachy**.

Mexican Train Dominoes "Tres" Walt Busenius

We last met on Friday afternoon, April 25th at the home of **Judy Richmond** in south Walnut Creek. The ole

Friday special huffed and puffed its way through the hills of Walnut Creek to Judy's doorstep. Gathering around the tables were **Walt & Sue Busenius**, **Judy Richmond**, **Sharon Varner**, **Sally & Lynn Shafer**, **Alicia Baily**, and **Linda & Larry Brown**. Judy is always a wonderful host who spoils us with table treats and very delicious half-time faire.

Bringing her A game to the arena, **Sally Shafer** dominated, taking home 1st Place and bragging rights with an avg. score of 13.14 pg. Both **Linda Brown & Judy Richmond** played well, coming in 2nd and 3rd place respectively, showing off their excellent MTD skills to the rest of the group. It was competitive, but we chatted a lot and very much enjoyed the afternoon.

We always say our goodbyes, quietly board the ole Mexican Train and follow the horizon home.

Our next meeting will be on Friday afternoon, May 23rd, at the home of **Linda and Larry Brown**. All Aboard!!

Mexican Train Dominoes "Cuatro" Jim Pope

On May 9th, the El Cuatro Mexican Train dominos group met at **Jim and Renie Pope's** home with 8 players. In attendance this evening were **Ken and Carol Soult**, **Scott and Marie-Claire MacDougall**, **Rich and Kim Pace**, and **Jim and Renie Pope**. The

group enjoyed MTD while consuming the wonderful snacks provided by several of the members. We played at one table of 8 and it was a lot of fun. The person with the lowest score was **Marie-Claire MacDougall**, who was warded 8 California Lotto Scratchers. The high scoring player was **Carol Soult**, who received one Lotto ticket. (see in pictures).

The El Quattro MTD group will meet in June 20th. (Photos by **Jim Pope**)

Mexican Train Dominoes "Cinco" Dennis Hallett

On a pleasant spring evening friends gathered at the home of **Joan** and

Dave Pierce. Regrettably, we missed **Dennis** and **Ann Hallett** (traveling to a grandchild's graduation), **Judy Baldrige**, **Bob** and **Janet Yolland** (for health reasons). However, **Bob** stopped by briefly to lift our spirits with a very positive report on **Janet's** progress. We greeted him and his good news warmly.

The women once again bested the men. **Joan Pierce** had a hot streak and went out all but two times; she was first (53). **Marti Campbell** (88) was third. **Doug Eisner** prevented a total lack of honor by the men and was second (79). Congratulations to the winners. The men at least avoided getting stuck with the double blank this time. Be grateful for small successes.

Next month **Jim** and **Anne Burke** will host, and the men hope to welcome the return of **Bob** and **Dennis** to bolster their ranks (and their success).

We had **Kathe Mitchell**, **John Kendrick**, **Mary McCarthy**, **Carol Lane**, and **Peter Plante** at one table, and **Steve Lane**, **Martha Plante**, **Bruce Borgman**, **Brian McCarthy**, and **Richard Hockenbrock** at the second table.

Kathe Mitchell won it all (12.4) with **Martha Plante** second (14.5) and third **Bruce Borgman** (17.7).

Mexican Train Dominoes "Ocho" Richard Hockenbrock

History was made on this date, May 7th, 2025. One of the Mexican Train Dominoes players, hit an average score of 1.33 played over 6 games. He accomplished this by going out 5 of 6 games and for the game where he didn't go out, he had one domino left, scoring just 8 points. The person achieving this score was, yours truly, **Richard Hockenbrock**. I might add, that sitting opposite of me at the end of the same dining room table was **John Foster** who unfortunately had the highest score of the evening at 437 points, with an average score of 72.8. **John** was happy to receive a scratcher ticket for his trouble but here again, after scratching all the numbers off on the ticket, absolutely nothing was going to make **John** a winner on this loathsome night.

At half-time, **Pete McNeill** laid out a nice selection of meats and then, at the end, cakes, and ice cream. Overall, we had 15 players attending the games.

The top three winners for the evening were **Richard Hockenbrock**, in first place with a score of 1.33, **Alicia Baily** in second place with a score of 11.44, and in third place was **Joyce Wells** with a score of 17.2. The pot paid out \$24 for 1st place, \$12 for 2nd place, and \$4 for 3rd place. The two players with the highest scores were **John Foster** (72.8) and **Pete McNeill** (36.89).

Our next game will be played on the first Wednesday in June, the 4th. The food and snack host will be **Ron & Victoria Polivka**. If you would like to sign up to be on our substitution list, please send me an email at the following address:

Bob Lucido took first place, but did not win over \$20, that was photoshopped. Mary Ellen Dalggaard placed second, and Dave Kingsbury came in third.

Couples Party Bridge Tony Greco

Larry and Linda Brown hosted our May 6th event. **John and Kathy Kluesener** invited their neighbors **John and Mary Pat Moxon** to join us as guests to sub for the **DeVoes**. They seemed to enjoy the event and perhaps will accept future invites as subs, when needed. As you can see from the results below, we "let them" come in 2nd place to encourage them to return. **John Kluesener** is also pursuing **John Moxon** as a new SIR member candidate.

Of the 60 hands played, 42 were made and 18 went down. Of the 42 games made, 14 were at game level. Four hands made 6 but were not bid. Final standings were close with only 80 points separating 1st and 2nd place and only 20 points separating 3rd and 4th place. The highlight of the evening was **Larry Brown's** home-made "salmonless" cheese ball.

The official results are as follows:

- 1st PLACE with 3070 points
Larry and Linda Brown
- 2nd PLACE with 2990 points
John and Mary Pat Moxon
- 3rd PLACE with 2320 points
Tony and Cindy Greco

Our next event will be held on June 3rd and hosted by **Tony and Cindy Greco**.

Buy-in is \$10 and stakes are nickel, dime, and quarter with a limit of three raises.

Couples Duplicate Bridge 2 Dave Pierce

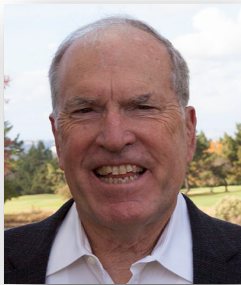

When Ken and Elaine Richter hosted us on May 13th, it was a thin crowd. Two regular couples were missing, and we were trying for the first time a two-table duplicate. That meant playing six boards against each of three couples, instead of four against five couples. The good news was that we got more time to enjoy each couple; the bad news was that there seemed to be less time to graze the snacks table, which is a big loss when the Richters host.

No slams heightened our new mode (although the eventual winners both bid game and made six on Board 1); indeed, there were ties on the first three boards. There were even ties at the end of play; Ken and Elaine tied Margot Somerville and Marilyn Miller for first (58%).

Summer approaches, and people are busier, so in June we will try two tables again.

Old Money Poker Group 6 Brad Hatcher

Our game was hosted by Steve Ybarra. He provided very nice afternoon snacks and excellent libations (wine) to accompany

those eats.

Our usual gang of seven – Paul Dubow, Bruce Kimmis, Rich Ahlf, Frank Lucas, Melo Piccolo, and Brad Hatcher joined Steve for a 3+ hour game. As we cashed out, the winners and losers were quite close with not much cash gained or lost. We all enjoyed the time spent.

We will join again on the first Thursday in June at the home of Rich Ahlf.

Parting Shot

A staggering 99% of people born between 1930 and 1947 (GLOBALLY) have now passed away.

For those of us born in this time span, our ages range between 77 and 94 years old (a 17-year age span) and we are one of the rare surviving one-percenters.

We are the smallest group of children born since the early 1900's.

We are the last generation, climbing out of the depression, who can remember the winds of war and the impact of a world at war that rattled the structure of daily lives for years.

We are the last to remember ration books for everything from tea to sugar to shoes. We saved tin foil and poured oil from fried meat into cans. We can remember milk being delivered to our house early in the morning and placed in the "milk box" at the front door.

Some of us can remember "Ice Boxes" and the Iceman delivering those large blocks for the compartment in the box.

Discipline was strictly enforced by parents and teachers and the latter applied the cane liberally to the hands, legs or backsides of disobedient students.

We are the last generation who spent childhood without television and instead, we "imagined" what we heard on the radio. With no TV, we spent our childhood "playing outside". There was no city playground for most of us. The lack of television in our early years meant that we had little real understanding of what the world was like.

We got "black-and-white" TV in the 50s that had 3 at best stations and no remote.

Telephones (if we had one) were one to a house and hung on the wall in the kitchen (who cared about privacy).

Computers were called calculators; they were hand-cranked.

Typewriters were operated by pounding fingers, throwing the carriage, and changing the ribbon. INTERNET and GOOGLE were words that did not exist.

Newspapers and magazines were written for adults and our Dad would give us the comic pages after he read the news.

The news was broadcast on our radio in the evening. The radio network gradually expanded from 2 or 3 stations to dozens.

New highways would bring us jobs and mobility. Most highways were 2 lanes and there were no freeways.

We went to the city to shop.

We walked to school and back.

Our parents were suddenly free from the confines of the depression and the war, and they threw themselves into working hard to make a living for their families.

We weren't neglected, but we weren't today's all-consuming family focus. They were glad we played games like Fiddle Sticks, Grab, Monopoly, Marbles, and Jacks by ourselves. They were busy discovering the postwar world.

We entered a world of overflowing plenty and opportunity; a world where we were welcomed, enjoyed ourselves. We felt secure in our future, although the depression and poverty were deeply remembered.

Polio was still acripler. Everyone knew someone who had it.

We are the last generation to experience an interlude when there were no major threats to our country. World War 2 was over and the Cold War, terrorism, global warming, and perpetual economic insecurity had yet to haunt life.

Only our generation can remember a time after WW2 when our world was reasonably secure and full of bright promise and prosperity. We grew up at the best possible time, a time when the world was getting better, not worse.

More than 99% of us are retired now, and we should feel privileged to have "lived in the best of times!"

If you have already reached the age of 77, you have outlived 99% of all the other people on this planet. We are 1%'ers!
